CIA Entrance, Fairfax County

Thanks for the copy of the assessment. I can't be at the meeting on the 22nd but Bob Gresham, our Assistant Director for Operations, will attend. He is familiar with your project and the work of the Committee.

I request a modification of the language on page 29 referring to the Commission before this report is circulated for public review and comment. I suggest the following language in lieu of the last paragraph on the page:

"NCPC looks to CIA to determine which of the two alternatives best serves the agency and its employees. However, the Commission will be glad to hear that the Committee is reaching a consensus of opinion on one alternative".

Looking forward to an early resolution of all remaining questions by the Committee.
